

We Own The Night

Treat

I'm waking up slowly
To see, the sun go down
I pull up the curtains
And glance, a full crimson town
And I'll take you with me, and you'll see
The truth behind the lies
And we can start livin', it's our city
When the day dies

We own the night, we own the night baby
Turn on to me, turn off the light
We own the night, we own the night baby
Let me set you free, cause we own the night

I'm chokin' on blue skies
They tend, to suffocate my mind
I live for the twilight
That's when, I leave the ties that bind
And I'll take you with me, you'll see
The craving in those eyes
We can start livin', so get ready
When the day dies

We own the night, we own the night baby
Turn on to me, turn off the light
We own the night, we own the night baby
Let me set you free, hold on tight

Don't be sorry, get on the floor
There is more than we bargained for
No stops, no laws a coup the grace

We own the night, we own the night baby
Turn on to me, turn off the light
We own the night, we own the night baby
Let me set you free, yeah

We own the night, we own the night baby
Turn on to me, turn off the light
We own the night, we own the night baby
Let me set you free, we own the night

We own the night, we own the night baby
Turn on to me, turn off the light
We own the night, we own the night baby
Let me set you free, cause we own the night
