

## Soaker

## Treble Charger

Im just trying not to listen  
Ive been hanging around  
all the things that you mentioned  
kinda sink in the ground  
Theres a kind of emotion  
that describes how i feel  
if youve been paying attention  
its not such a big deal  
I like your style I dont know how  
the only thing that i need now  
I like your style I dont know how  
the only thing that i need now  
Im just trying not to listen  
Ive been hanging around  
All the things that yove mentioned  
kinda sink in the ground  
I like your style i dont know how  
the only thing that i need now  
I like your style i dont know how  
The only thing that i need now
