

But Now My Eyes Are Open

Tree63

You opened up my ears to hear;
The imperfections of my heroes.
And those I held up to the Sun;
Are cracked and broken; everyone.

They spoke, words... of fire.
They held, my... desire.
But just because they look like you,
Doesn't mean they honour you; No, no

But now my eyes are open,
And I will only hope in You, You, You, You
You're the only hero,
You're the only one who will never let me down,
You'll never let me down

How could flesh and blood begin,
To lift me up out of my sin?
Yet You became the very thing,
I looked for in Earthly kings.

I was, longing for You;
Though I, did not know You.

I thought I would hear your voice,
If I made the same noise.

But, but, but. But
Now my eyes are open,
And I will only hope in You, You, You, You
You're the only hero,
You're the only one who will never let me down,
You'll never let me down

There has always only been You
Bright shining as, The Sun, The Sun,
Yeah yeah!

But now my eyes are open,
And I will only hope in You, You,
You're the only hero,
You're the only one who will never let me down, no.
Never let me down, no!
Never let me down, no no no no no.

My eyes are open,
And I will only hope in You, You, You, You,
