

# Look What You've Done

Tree63

Look what You've done for me  
Your blood has set me free, yeah, yeah  
Jesus my Lord, look what You've done for me

I haven't been the same  
Ever since that day I called Your name  
Yahweh, Yahweh Look What You've done for me

What can I do for You my Lord?  
I want You to know my heart is Yours  
It's not a question of what You can do for me  
But what can I do for You my Lord?

Up to Your cross I crawled  
Now I am standing ten feet tall  
Jesus my Saviour look what You've done for me

Free at last I'm free  
And I owe You my whole life completely  
Yahweh, Yahweh look what You've done for me Lord  
Yeah, yeah

What can I do for You my Lord?  
I want You to know my heart is Yours  
It's not a question of what You can do for me  
But what can I do for You my Lord, my Lord?  
Hallelujah

What can I do for You my Lord?  
I want You to know my heart is Yours  
It's not a question of what You can do for me  
But what can I do for You my Lord?

What can I do for You my Lord?  
I want You to know my heart is always Yours  
It's not a question of what You can do for me  
But what can I do for You my Lord, my Lord?

Look what You've done  
Look what You've done  
Look what You've done  
Look what You've done for me my Lord

Oh, look what You've done  
Look what You've done  
Look what You've done for me my Lord  
It's not a question of what You can do for me

What can I do for You my Lord?  
What can I do for You my Lord?  
What can I do for You my Lord?  
What can I do for You my Lord?

Jesus, what can I do Lord?  
Jesus, what can I do Lord?  
How can I ever repay You Lord  
From all You've done for me, yeah

All You've done for me, Hallelujah

But once I was blind  
But now I can see  
Once I was in shades  
But You rescued me Lord  
Hallelujah, Hallelujah
