

I can't deny You, although I have tried
You will have Your glory and You will not be denied
For when You reveal Yourself, who can contain Your praise?
I'll sing like a river in full flow

Your kingdom come to a world undone
Your kingdom come, Lord let Your will be done

Now that I've met You, how can I keep still?
For if I don't speak Your name creation will
I know You took the old from me and gave me a new song
A hymn of praise to You my God

Your kingdom come to a world undone
All will rejoice, shouting with one voice
Your kingdom come, Lord let Your will be done
Yeah, Lord let your will be done, oh, oh

Rivers, mountains, sea and sky
Lift up your voice to God most high
And you will heal this world and all who live in it
Shouting with one voice, all will rejoice

I hope Your kingdom come to a world undone
All will rejoice, shouting with one voice
Your kingdom come, let Your will be done
Your kingdom come

Sooner than later or blink of an eye
Today or tomorrow the end is nigh
Slowly but surely that day will come
When everything new will get under the sun
Under the sun, Your kingdom come

Your will be done, Your kingdom come
Your will be done, Your kingdom come
Your will be done, Your kingdom come
Your will be done
