

Radical Change

Tremonti

Please just one more chance,
I've just failed again.
Question everything,
Never understand.

Point blank, guilt today,
Pride just dies away.
Won't do that again,
Please don't ask me when.

It's a radical change
Standing alone, feeling the weight of the whole world.
Defenseless again,
Standing alone, turning my back on the whole world....

All life disarray
Prospects fall away
All that was at stake
All that I could take

It's a radical change
Standing alone, feeling the weight of the whole world.
Defenseless again,
Standing alone, turning my back on the whole world....

I know this time the change will last forever
Forever!

It's a radical change
Standing alone, feeling the weight of the whole world.
Defenseless again,
Standing alone, turning my back on the whole world
Yeah

Radical Change
It's a radical change
