Girl, I know you know it's all about you  
I ain't sayin' no names, but you know what I'm sayin'  
I could tell it by the way that you move

Callin' all the cuties to the floor right now  
It's a lot of booty on the floor right now  
Take it to the bus, we can go right now  
We can roll right now, right now

Tell the hotel we pulling up right now  
Elevator up, take a ride right now  
Baby, ride right now, right now  
Uh-uh, got a room full of fly girls  
Got a thing for a shy girl  
Don't you want to be my girl?  
It's all about you, get up on it like you should, girl  
Cause I love it when a hood girl turn around and be a good girl
