

Almost Lose It

Trey Songz

The doors open and everybody turns around
To see you walk down the aisle in your pretty white gown
You're holding you daddy's arm, your tears begin to fall
And both of our lives are about to change forever
Everybody stands, she reaches out her hand the preacher says
We're gathered here today and I

I almost lose it, when I hear you say, "I do"
And I'm so in love with you, baby
I almost lose it, when I see that pretty face
It's more than I can take

I wonder if she's nervous, or will she get cold feet
She wears a smile, as the diamond shines from her wedding ring
I hope it's everything you wanted, you deserve the best
Always knew I'd be the reason, for your wedding dress
So beautiful the way you read your vows, then the wedding bells
ring, and I

I almost lose it, when I hear you say, "I do"
And I'm so in love with you, baby
I almost lose it, when I see that pretty face
It's more than I can take

As the tears roll down your cheek, it's impossible for me to speak
My heart is beating fast, and my knees are feeling weak
So speak now or forever hold your peace
Can't help but wonder from my seat if he know she was meant for me

I almost lose it, when I hear you say, "I do"
And I'm so in love with you, baby
I almost lose it, when I see that pretty face
It's more than I can take

I can't wonder from my seat if he knows
Does he know you are meant for me, do you know?
Can't help but wonder you know you're meant for me
And if you didn't know, you are you are

I almost lose it
