Be Where You Are

Trey Songz

Hey, oh

High heels on,
Hair did,
Can't no other woman rock a dress like this,
Body bangs,
Doing her thing,
She the only reason for the song I sing,
And I wish I could be there,
When she get ready to go,
Dancing in the mirror and talking on the phone,
Telling all her home girls,
What she putting on,
They already know she putting on

Cause when she hit the club,
Heads turn around,
She living it up,
Drink up in her cup,
I'm in love from afar,
Baby girl I wanna be where you are,
Be where you are,
Baby girl I wanna be where you are,
Be where you are,
Girl I wanna be where you are

Should I make a move,
Or should I fall back,
Let you do what you do,
See in you in the zone,
I ain't trying kill the groove,
Know you turning down all them other dudes,
But I,
Ain't nothing like them, oh no,
Can't fight the feeling,
Girl I wanna know about you, yeah,
Baby don't you get me wrong, no,
But I've been watching you so long

Cause when she hit the club,
Heads turn around,
She living it up,
Drink up in her cup,
I'm in love from afar,
Baby girl I wanna be where you are,
Be where you are,
Baby girl I wanna be where you are,
Be where you are,
Girl I wanna be where you are

Are you here from one of dreams,
Cause I don't want to ruin this fantasy,
To take the chance,
And you don't wanna be mine,
But you gotta be my all,
Girl I'm coming over to you,
I'll put my pride to the side,

But I wanna leave with all your love

I just wanna be here,
Be where you are,
Baby girl I wanna be where you are,
Be where you are,
Please don't deny me,
Baby girl I wanna be where you are,
Where you are,
Baby girl I wanna be where you are,
Where you are,
Girl I wanna be where you are,
Be where you are,
Baby girl I wanna be where you are

Cause when she hit the club,
Heads turn around,
She living it up,
Drink up in her cup,
I'm in love from afar,
Baby girl I wanna be where you are,
Be where you are,
Baby girl I wanna be where you are,
Be where you are,
Girl I wanna be where you are

I'll go where you go,
I want to be where you are,
Wherever you go,
I'll go there,
Girl I'm prepared,
I'll go,
Baby I'll go,
That's all I think of.
