

# Disrespectful

Trey Songz

If my girl found out you was on her side of the bed she'll kill me  
If your man found out I was on his side of the bed he'll go ham  
If my girl found out you was wearing her robe I would probably go mis

If your man found out I was wearing his slippers, wait  
I don't care about none of these niggas, none of these niggas  
I don't care about none of these niggas, none of these niggas

I don't care about nobody but you

Girl you so special, I don't mind bein' disrespectful

Girl you can call my phone at four in the morning  
Girl you can ride shotgun every time I'm rolling  
Girl you can come with me to her favorite diner  
She even took me home so I could meet her mama (so disrespectful)

If my man found out you were using his rubbers I'd be dead  
If your girl found out you was paying my rent she'd lose her head  
If my man found out I was rushing your chores he'd pull out the deser  
t eagle

If your girl found out how good I was riding it, wait

I don't care about none of these bitches, none of these bitches  
I don't care about none of these bitches, none of these bitches
