

Don't Be Scared

Trey Songz

Don't you be scared
Ross
Don't you be scared
Don't you be, don't you be
Don't you be, don't you be scared

Body's like jumped off out the page
I can't get out of here
Plus you got a beautiful face
Let's go somewhere and disappear
Said she like to smoke, I do too
Said she like to drink, I do too
So what you think have a little conversation
What's on your mind tell me what you been thinking

I'ma keep it real alot of women in my phone
But I'ma be for real you the only one I want
I ain't telling lies like I'm tryin' to settle down
You probably heard I get around

Don't you be scared,
Girl don't you be scared of lovin'
No matter what they say , 'bout 'em 'bout 'em
Don't you be scared, no matter what your homegirl playin'
You probably make your own bed since
Girl
Don't you be x8
Don't you be scared
Don't you be scared
Girl don't you be scared of lovin'
No matter what they sayin', 'bout 'em bout 'em
Don't be scared

I ain't gonna bite ya ,
Unless it's something that you like girl you know that
Don't be scared,
I just wanna get a little time
I ain't talking 'bout no watch
Can't call you no dime
I know you can't be bought
I know you know you fine
I know you sick and tired
All these f-- blinds
Talking about what they got

I keep it real alot of women in my phone
But I'ma be for real you the only one I want
I ain't telling lies like I'm tryin' to settle down
You probably heard I get around

Don't you be scared,
Girl don't you be scared of lovin'
No matter what they say , 'bout 'em 'bout 'em
Don't you be scared, no matter what your homegirl playin'
You grown make your own decisions
Girl
Don't you be x8

Don't you be scared
Don't you be scared
Girl don't you be scared of lovin'
No matter what they sayin', 'bout 'em bout 'em
Don't be scared

Presidential sweets, and these foul blows
Living up and live doing what you do
Hanging on and each of every moves
Detectives on my trail but don't have a clue
All I want is bad ,bad mercedes benz and millions
That's on the air rich
I'm ballin' with my lil homies we smoking levish
Versace shirts I remember we didn't have this
How I look now all gold spinners ,denim swarming foes
Stacking money taller than my shawty low
I'm dropping classes people nothing shard go and go
Don't you be scared of me baby 'cause all I do is ball

Don't you be scared,
Girl don't you be scared of lovin'
No matter what they say , 'bout 'em 'bout 'em
Don't you be scared, no matter what your homegirl playin'
You grown make your own decisions
Girl
Don't you be x8
Don't you be scared
Don't you be scared
Girl don't you be scared of lovin'
No matter what they sayin', 'bout 'em bout 'em
Don't be scared
No matter what they sayin', 'bout 'em bout 'em
Don't be scared
