

Gotta Go

Trey Songz

Good evening
I'd like to thank everybody for coming out
Hope your flights were safe
Feeling real breezey
Swift like the wind

It's calling my body
It's calling my soul
It's calling my mind
So girl I gotta go
Baby it's the grind
Yes I had a good time
(Don't get me wrong) You were so good
And I really wish I could
Stay a little bit longer
Love you a little bit stronger
And go a little deeper
Baby with you
But since this thang is calling I
Gotta answer dry your eyes
Girl don't cry
'Cause your making it hard for me

'Cause I don't want to leave (Ooo girl)
But I gotta go right now
I'll be back to hold you down (I don't wanna)
I don't want to leave no
But girl I gotta go right now
But I'll be back before you know it

So hold that thought (that thought)
Dont you move
See I'm coming right back
Right back for you
Don't you change your position
Girl I'm on a mission
Baby trust I'll be missin'
Missin' you
'Cause I don't wanna leave

I don't want to leave (Leave, leave, leave you baby)
But I gotta go right now (But I gotta go though)
I'll be back to hold you down
I don't want to leave no no no
But girl I gotta go right now
But I'll be back before you know it

Streets be calling me
They be callling my name
And when they call I gotta go
So I'm letting you know
I wont be gone for long
And already I can't wait to come home to you

I don't want to leave (Ohh girl)
But I gotta go right now
I'll be back to hold you down

I don't want to leave
But girl I gotta go right now
But I'll be back before you know it

I don't want to leave
But I gotta go right now
I'll be back to hold you down
I don't want to leave
But I gotta go right now
But I'll be back before you know it

Break it down now ow
Naw I dont want to leave
But you know how it is when-
Whoa baby keep that on
Don't take it off
Keep in on
So I can take it off when I come back
Yeah fo' sho

I don't want to leave (Since this thang is calling I)
But I gotta go right now (Gotta answer dry your eyes)
I don't want to leave
But girl I gotta go right now
I'll be back before you know it
