

# In the Middle

Trey Songz

(Ummmm no)

If I could be up in the middle of  
Just wanna be in the middle of  
Middle of your love

If I could be, anywhere in the world I would be  
inside your skirt in you gurl between your knees  
everyday of my life, my life, my life  
I just want, to make your body really want to get it on  
We could turn the bed into a stage and then perform  
Your body's gettin hot gurl I could feel its warm  
I show you what I'll do

If I could be up in the middle of  
(Middle of your love)  
Givin you a little uh  
(Like a cup, I'll fill ya)  
Just wanna be in the middle of  
(The middle of your love)  
Your love, love, love, love

If I could be, believe me gurl I would be your fantasy  
I'll make you come right were you'll be on top of me  
So can we get that close, where I could feel your body sweat  
Tryin' to make yo body wet  
Can we, climb the mountain top screamin' urcstacy  
We so high up in this love, we reach the peak  
We ain't never coming down, baby keep makin that sound  
(If I could just be)

If I could be up in the middle of  
(Middle of your love)  
Givin you a little uh  
(Like a cup, I'll fill ya)  
Just wanna be in the middle of  
(The middle of your love)  
Your love, love, love, love

It's got me open, willin', and ready  
Baby I'm open, listen up and here me  
I'm not tryin' to be in the front or the back, by the side,  
just in side, deep inside, the middle of your love  
Oooooooooooooooooooooo oooooo  
WHOA!  
Uh  
(Let me in, let me in the middle)

If I could be up in the middle of  
(Middle of your love)  
Givin you a little uh  
(Like a cup, I'll fill ya)  
Just wanna be in the middle of  
(The middle of your love)  
Your love, love, love, love

If I could be up in the middle of  
(Middle of your love)

Givin you a little uh  
(Like a cup, I'll fill ya)  
Just wanna be in the middle of  
(The middle of your love)  
Your love, love, love, love
