

Jupiter Love

Trey Songz

(You lookin' too good)
What you standin' over there by yourself for?
Why don't you come over here? Huh?

I think it's time we take a trip, tell me where.
Tell me where you wanna go aah (you wan' go)
I got an idea yeah (what you think about this
Just follow me baby, take you where you need to be)

Girl you know that you the shh, 'way you walkin' with dem heels on
Talkin' to me dirty yo body I wanna feel on (feel on) feel on (feel on)
Once I get to you I promise we goin' go
Re-real long (real long) real long (real long) real long
Girl I do you right
Don't you know that you the shh, got me turnin' off my cell phone
Nothin's more important than gettin' our fairytale on (tale on)
Ya hair long (hair long)
I just wanna pull it
Baby wait a minute
Don't be timid
Don't be shy you so fly
I just wanna take you on a ride

[Chorus: x2]

I think it's time we a trip to the bed (bed)
Girl yo body's talkin' and I'm lovin' what she said (she said)
Don't you be afraid to
Let me elevate you
Welcome you to super, duper, Jupiter love

Girl you know that you the shh
Ain't nobody gotta tell ya
Natural body fragrance is such a sweet aroma
Oh how I love
Being inside your love
You lookin' too good
For me not jump all over you
So good
That's exactly what I wanna do
Let me hold ya heart, show me where to start
It's amazin' how you shine in the dark

I think it's time we take a trip to the bed (can we go there)
Girl yo body's talkin' and I'm lovin' what's she said (she said)
Don't you be afraid to
