

# No Clothes On

Trey Songz

No Clothes On  
We Back, hey  
Songz  
(Let me hear you say)

No Clothes On  
(It's awful baby)

I can picture you with no clothes on  
Girl I gotta have it  
I'm attracted to to ya  
And your pants, I'm lookin back at it

No clothes on  
Everybody mean  
That I wouldn't mind seein you  
Snappin out them jeans  
Like you got no clothes on

And I'm so drawn  
Up in my zone  
Baby, oh your goodness  
(You're so grown)  
Baby oh my goodness  
Is this my imagination?  
Am I illusinating gurl?  
(You're so grown)  
And I just wanna be bad  
Let me see your secrets  
I wanna whisper in your ear  
(Come here)

Let me work that thang,  
Work that thang  
Work that thang  
Work that thang  
Gurl I might hurt that thang

Shawty what your name is?  
Cause gurl, I gotta know  
And shawty who you came with  
Don't take this personal

But I can picture you with no clothes on  
Girl I gotta have it  
I'm attracted to to ya  
And your pants, I'm lookin back at it

No clothes on  
Everybody mean  
And I wouldn't mind seein you  
Ya snappin out them jeans  
Like you got no clothes on

Ain't no more drone  
Is this your song?  
Why don't you go over there and do your thang?

(Don't be scared)  
But that booty body,  
You the shawty  
Do the naughty  
Hippin and touchin, the afterparty  
(You're so wrong)  
I just wanna make this claeer  
Can I whisper in your ear?

Let me work that thang,  
Work that thang  
Work that thang  
Work that thang  
Gurl I might hurt that thang

Shawty what your name is?  
Cause gurl, I gotta know  
And shawty who you came with  
Don't take this personal

But I can picture you with no clothes on  
Girl I gotta have it  
I'm attracted to to ya  
And your pants, I'm lookin back at it

No clothes on  
Everybody mean  
And I wouldn't mind seein you  
Ya snappin out them jeans  
Like you got no clothes on

Girl I gotta have it  
I'm attracted to to ya  
And your pants, I'm lookin back at it

No clothes on  
Everybody mean  
And I wouldn't mind seein you  
Ya snappin out them jeans  
Like you got no clothes

No clothes  
No clothes  
No clothes  
(You like the way I'm rockin my hips, hey)  
When you're rockin' yo hips  
(Pop lock and drop it, hey)  
Pop lock and drop it  
Ooh I love how you be leanin (you see me leanin)  
Ahh shawty, am I dreamin? (I see you dreamin)  
I'm tryna say  
Is gurl I'm seein you  
Seein you  
Seein you  
With no clothes  
(No clothes on)  
No clothes  
(No clothes on)  
Oooh baby

But I can picture you with no clothes on (no clothes on)  
Girl I gotta have it  
I'm attracted to to ya

And your pants, I'm lookin back at it

No clothes on (baby)

Everybody mean

And I wouldn't mind seein ya

You snappin out them jeans

Like you got no clothes on

Girl I gotta have it

I'm attracted to to ya

And your pants, I'm lookin back at it

No clothes on (baby)

Everybody mean

And I wouldn't mind seein you

Ya snappin out them jeans

Like you got no clothes on

(Take it off)
