

Ready to Make Luv

Trey Songz

Uh Oh, Uh oh, Uh oh
Uh Oh, Uh oh, Uh oh

See as you get here
I'll be ready to make luv
It will be so crystal clear
that I'm ready to make luv (I'm ready to love)
All day yearning for your body
You're my woman, you deserve good love (good love)
I'm fienin for your kisses
Your my misses, I'm gonna give you good love
Love, love
I'm ready, I'm ready
