

# Wonder Woman

Trey Songz

I gave you prophesy on my first joint  
But you all lamed out  
It aint really appreciated  
The second one's out  
Danger! SONGZ!

Your face is amazing blazing hot like cajun and all i need is a minute  
Please no gimmicks ya tellin me to chill On the real or take a trip to satan  
Sent me to hell wit it  
Then i yelled wit it  
Dude! the hell wit ya crew  
Say you got a man well the hell wit him too  
The seats is seashell the whip is sea blue And you can swim through  
Aint alot of women that i cant swim through  
And you cant say that i dont tempt you  
Cuz if you said that, you's a liar  
Grip them legs back call me pliers  
Z 4 chrome up under the tires  
And you so grown and my desires  
To make you come  
Finish that rum  
Aye who said trey songz aint fire?

The way you talkin girl you seem so invinceable  
Its more than sexy girl the way that you take control  
I wonder woman are you my kinda woman  
With a back like that you fly like jets are you my wonder woman (are you)  
Are you my wonder woman (are you)  
Are you my wonder woman (are you)  
Are you my wonder woman (are you)  
Are you my wonder woman

Its a shame the way you do your thing  
You cant blame me staring at your frame  
What's your name  
Baby they call me Trey  
From the TV to the stage  
The pr-pr-prince of VA

I got droppas like doctors i can change your life  
You should stop watching and jockin as if you aint gon ride  
I wonder somethin baby we gon do somethin tonight tonight ohh

The way you talkin girl you seem so invinceable  
Its more than sexy girl the way that you take control  
I wonder woman are you my kinda woman  
With a back like that you fly like jets are you my wonder woman (shawty)  
Are you my wonder woman (are you)  
Are you my wonder woman (are you)  
Are you my wonder woman (are you)  
Are you my wonder woman

Whats this game baby i wanna play  
What you say cant let you get away  
Cuz i dont wanna leave girl  
I only wanna be with you, with you

I got droppas like doctors i can change your life  
You should stop watching and jockin as if you aint gon ride  
I wonder somethin baby we gon do somethin tonight tonight ohh

The way you talkin girl you seem so invinceable  
Its more than sexy girl the way that you take control  
I wonder woman are you my kinda woman  
With a back like that you fly like jets are you my wonder woman

I wonder cuz i need a special kinda woman beside me  
You my wonder woman come find me  
We can do whatever woman long as we together woman  
This aint a game (nooo)  
I need a super kinda woman beside me  
Girl i need a miracle  
Anything is possible  
Make your body be my home  
Let me come inside and we gon see if you invinceable

The way you talkin girl you seem so invinceable  
Its more than sexy girl the way that you take control  
I wonder woman are you my kinda woman  
With a back like that you fly like jets are you my wonder woman (are you)  
Are you my wonder woman (are you)  
Are you my wonder woman (are you)  
Are you my wonder woman  
With a back like that you fly like jets are you my wonder woman shawty

The way you talking girl you seem so invinceable  
The way that you take control  
I wonder woman  
Are you my kinda woman  
With a back like that you fly like jets are you my wonder woman

If we could be superfriends in your world  
It'd be so incredible  
I cant help but wonder cuz  
With a back like that you fly like jets are you my wonder woman (oww!)
