

Yo Side of the Bed

Trey Songz

Every time she leaves it's my heart that she's taken from me
I dunno if she's gone for good or returning in the morning
Cannot wait through the night cause I can't help the tossing and turning

I want you to know that our bed, our sheets, our pillows get lonely

On...Yo side of the bed

Yo side, Yo side, Yo side, Yo side, Yo side,

Yo...On yo side of the bed (3x)

Yo side, Yo side, Yo side, Yo side (its so lonely there)

I don't wanna sleep if you ain't here... noooo

I just wanna breathe your air

Watch you when your wrapping up your hair

Gazing at the mirrors up there, I'm reaching while imagining that at you're here

Awake through the night cause I can't help the tossing and turning

I want you to know that our bed, our sheets, our pillows get lonely

On...Yo side of the bed

Yo side, Yo side, Yo side, Yo side, Yo side,

Yo...On yo side of the bed

Yo side, Yo side, (where I lay my head) Yo side, Yo side, Yo side,

Yo...On yo side of the bed

Yo side, Yo side, Yo side, Yo side, Yo side,

Yo...On yo side of the bed

Yo side, Yo side, Yo side, Yo side (its so lonely there)

I don't wanna sleep if you ain't here... noooo

Play on...

That's what you gotta do sometimes

Let it play baby...

So lonely there...

On...yo side of the bed

Yo side, Yo side, Yo side, Yo side, Yo side,

Yo...On yo side of the bed

Yo side, Yo side, (your pillow is waiting girl, pillow is waiting girl) Yo side, Yo side, Yo side,

Yo...On yo side of the bed

Yo side, Yo side, Yo side, Yo side, Yo side,

Yo...On yo side of the bed

Yo side, Yo side, Yo side, Yo side (its so lonely there)

I don't wanna sleep if you ain't here... noooo
