

I'm A Thug

Trick Daddy

I don't know what this world's gonna bring
But I know one thing that this is the life for me
Baby cause I'm a thug
All day every day
Baby cause I'm a thug
Wouldn't change for the world
Uh huh cause I'm a thug
That's right you heard
Baby cause I'm a thug
Uh huh oh yeah

(check it out)
Could it be my baggy jeans
Or my gold teeth
That make me different from ya'll
Ain't trippin dog
But listen dog
I've been raised a little different yall
I'm just doing my thang
These are my ghetto slangs
And I'm representing thug shit
This who I roll with
Watch them niggas that's gonna love this
Niggas who out on bond
On the run
Got 10 years on parole
Since you can't say it dog I'ma say it for ya'll
Motherfuck the po-po's
Fuck the judge and CEO's
Fuck the DA and PO's
Fuck the family of the victim
Witness that's snitchin ass hoes nigga

See I'm so tight
Niggas be like
That nigga got so many hoes
And I know he got clout
Look at his mouth
That nigga got so many golds
Niggas be tellin they hoes
There's somethin up with that nigga
Bitch I've been watchin you watchin him
You must wanna fuck this motherfucker
My name alone
Been known to break up happy homes
No disrespect dog but you aint have no business even Answering her phone
If your ass wasn't home
Me and her been coulda get gettin it on
And you couldn't have been hitting her right
Cause every second night she been hitting the phones
She want a thug

Since ya'll niggas wanna smoke the blunts
tote the guns
I'ma show you how to thug it dog
Give me half a pill
And some zephanyll

And I'm like fuck it dog
As long as my extasy got the best of me
And none of you niggas aint stressin me
I got one request in this bitch
You can have the rest of this shit
If a nigga drop some shit
And it's wack as hell
And don't make no damn sense
Take it back
Talk about it
And tell your dog don't even buy that shit
And I don't care who he is
Or where he from
I represent thug shit
And you ain't gotta give me my props
Or nominate me
Cause dammit I love this
