

## Kill your ass

Trick Daddy

I'm a fuck around and kill yo ass  
I'm a fuck around and kill yo ass  
Fuck around and kill yo ass (say what)  
I'm a fuck around and kill yo ass

I'm having a supper with some lonely motherfucker  
Some little boney motherfucker  
You killed my homie motherfucker  
So what a real nigga 'posed to do  
Get ghost and kill every bitch close to you  
And you probley gone kill me if I ain't careful  
Probley gone damn near me if I ain't careful  
Now you fucking with the wrong nigga  
I'll follow you home nigga, ready to pull the motherfucking trigger  
Cause I ain't fucking with nobody, owe nobody  
Need nobody but my shottie  
See all my ex-friends was ex-cons, most of them dead and gone  
Therefore I'm ridding for 'em  
I'm putting holes in you cocksucker  
I'm closing shop on your block with this glock sucker  
Won't be no serving on this corner  
Won't be no hanging, swanging, swerving on this corner  
I gives a fuck about your homie  
You can play crazy if ya want to, but ya pussy when I get up on ya  
But when these blades go to chopping, niggas gone be dropping  
And vertebras going to be rocking  
And I'm a..

I gives a fuck that you getting do  
I gives a fuck bout your hoe, gives a fuck bout who she know  
Ain't no joking in my game, don't get chained,  
and slanged about my cocaine  
I know some niggas, who want to smoke,  
He want some hotter green and a quarter head for that coke  
Won't be no jacking while I'm stacking  
Won't be no slapping, no laughing, or no motherfucking macking  
Just me and my workers in a circle,  
And ain't nobody and hiding 'round cause if they is I got to hurt ya  
And if it's worth it we'll dirt ya,  
I know ya strapped so I'm wait for I search ya  
I know ya scared, and you gonna get it, and I can feel yo ass  
Put this thing inside your head and I'm kill yo ass
