

Let Me Ride

Trick Daddy

Give me a chevy tre cheverlet let me ride
Half a pill just a hit it gets me high
Duce tre esclade that's my style
T double d thuggin and raw ride or die

I used to be a polo kid
Who would of thought of all the stupid shit that I did
I used to sport it talk about it
That's the reason why shorty went in the hood and bought it
Mr. Rabbit like a fast from the past bone jean overalls why'all can kiss my
ass
Thug nigga going back to the basic
And that Iceberg on the curve is thug animated
But first off this is T double
When I hitya with them k cutters
You turn bout three colors
Gon and get your big brother I don't care
I'm dade county major slash player
Hold up 'cause Mr. Dollar got sold up
Time for war now be a boy what's the hold up
A new candiate for the thug of the year
I'm the ultiment thug the rest of them busta is quitters

You know it's your boy are Ross, the overweight hell of a nigga so pepperlic
oius
And we getting it
Sitting on serious inches
We dem niggas smoking coco and serious vison
(at the door) bouncers don't touch us
They know once ounces go up they hold up
And know what
I drink cris let it bubble back
I'm leaning on double stack ready to snap
Trick already know why'all ain't ready for us
We make a way in the club waving a slug come play with a thug
I can let why'all lay in the mud
I battle you partner
A spotter that's hotter with a nuff music to wake pac up
Keep your glocks up you can't stop us
True husltler chop doctors knot in pockets
In truly didited or god got us

Some of these ho's think I'm manish
Go head ask me were I got my manners
Bitch ask your mamie
I slap a bitch in minute
Seen it twice already ho I muthafucking mean it
Plus d bout big money get honey lauging
That six hundred still running
So what's the cause mayham or murder
Who is the killer shit I'll kill ya
Got money so I'll make it in court
Plus I'ma thug nigga and I'll never get caught
Bout to set up shop pushing caine to rocks
Plus my glock gon take this shit on top
This ain't no muthafucking hang out
We don't eat shit smoke caine out the same damn house

This is thug life not a citcom
Plus we got big guns ready for change now
