

## Cross to Bear

Tricky

Hafdis Huld & Tricky:

Jesus said to Mary, you really can come  
I'm tired, love, and I'm feeling real numb  
Gotta see if my father's come  
I'm under pressure, while I'm under the sun  
Father priest expects me to lead  
Leaves is easy, wants me to bleed  
I'm scared, Magdalene, I fear I'm lost  
I won't lie, don't wanna die on no cross  
Track and these trees ? my feet  
Wanna stay and lay with you, where you sleep  
It's not my cross to bear  
No, I don't care  
When I'm dead, they say I rise again  
If I come, will you still be here then  
If I run, will you run with me too  
We're hiding inside  
And found a space for two  
Eat with friends before we leave  
Magdalene said, Be careful friends deceive  
Free my chains  
It's not my cross to bear  
No, I don't care

Tricky:

Premature, don't wanna die on no cross

Hafdis Huld & Tricky:

When I'm dead, he was my body and fame

Tricky:

Premature, don't wanna die on no cross

Hafdis Huld & Tricky:

When I'm dead, he was my body and fame

Tricky:

This is not my cross to bear

No, I don't care.
