Mellow

I'm gonna see my baby She makes me feel like movin' I'm gonna see my baby She makes me feel like movin' She makes me feel high She makes me feel low I'm gonna see my baby She makes me feel like groovin' Like this Like this I see you go to see your baby Does she make you feel like groovin'? You go to see your baby She make you feel like groovin' She make you feel high She make you feel low She make you feel high She make you feel low She make you feel like Spend your money She make you feel high She make you feel low She make you feel high She make you feel low Need my honey Like you feel I need my honey She makes me feel She makes me feel Need my honey Need my Need my honey Need my Need my honey Need my Gonna go see my honey Gonna go see my honey She makes me feel like groovin' She makes me feel high She makes me feel low When you go to see your honey When I go to see my honey Need my honey She makes me feel She makes me feel She makes me feel
