

# Moody Broody Buddhist Camp

Tricky

NK : Nine nine nine nine  
Tricky :  
One two one two (repeated)  
Keep keep your head up  
NK :  
I don't wanna die  
The doors up and smokin' (??)  
So you must be jokin'  
(????) On the chosen  
I know we're not real  
You're real good (??)  
Tricky : We're freaky and we're fed up  
NK :  
For real for real  
And you know the deal  
Tricky : What is hot? what is not?  
NK :  
I don't wanna die  
I don't wanna die  
We ain't invisible  
Religion visible (??)  
And the jokes on you  
The jokes on you  
Tricky :  
Party to the look  
Drugs in my community  
NK : I don't wanna die  
Tricky : Now i'm the livin' prostitute  
NK : I don't wanna die  
Tricky :  
Four i'm...  
Good salute to vamps  
For me one two one one one one  
Keep keep you head up  
We're freaky and we're fed up  
Pretending you're a wierd one  
What is hot? what is not?  
Under god's sun  
You can do the press up  
And you can put your chest up  
I prefer to travel  
If i leave wit' you  
They'll drag me through the gravel  
It's to the sleigh  
Look you're it...  
Jello then (??)  
Everybody's mad  
Everybody to the lunacy  
It's too easy to find  
Drugs in my community  
One for the money  
Two now i'm the...  
Now i'm the livin' prostitute  
Three for forgettin' how i feel  
Four now i'm no longer real  
We'll leave the suckers and the vamps  
Come join my moody buddist camp

And if you think i'm the fake up  
Well wait around until i take off  
Take off my makeup  
My makeup  
It's the moody buddist camp  
It's the moody broody  
It's the moody broody buddist camp  
Keep keep your head up  
NK :  
Look what i can do  
Look what i can do  
Look what i can do  
Look what i can do  
Feed me through the ring  
Feed me through the ring  
Look what i can do  
I feel the spirit in me now  
Ain't nobody gonna split us apart  
One day is come  
Feed me through the ring  
Look what we've become  
What have we became?  
Feed me through the ring  
Look what I can do X3
