

## Parenthesis

Tricky

"Parentheses"  
One broken wing,  
Soaring and suffering,  
Arm in a sling,  
I don't owe you anything.  
I'm a bad absentee,  
You know when I want to leave.  
So close up your knees,  
And I'll close your parentheses.  
I'm a bad amputee,  
With no phantom memory.  
So close up your knees,  
And I'll close your parentheses.
