She Said

She said, she said, she said, she said She said she could tempt me Both in rooms full or empty She said, she said Even night turn out the lights She said, she said "Pretend to know me, then show me" She said, she said She was a missed good night I wanted to share her vagina She said, she said Then we jumped in her car Went real far, after the pizza With Wendy and Lisa She said, she said Asked about Prince I left my fingerprints She said, she said Then I jumped in the car Go real far Jumped in the car Go real far She said, she said "Now I start fucking with drugs I got mugs" She said, she said Then we jump in the car And go real far She was just showin' me tanks Robbin' banks A new inflation bring migration "If you wanna be boy Don't send a decoy" She said, she said "Wait 'til dark comes Don't play with guns And kill the toys Don't play with boys" She said, she said "Let's go stress Then touch my breasts It's all yours, we finish tours" She said, she said Then we jumped in the car Went real far Jumped in the car Went real far She said, she said "Now I'm on the run Always weighs a ton" She said, she said "Dark brown eyes You wanna stroll with' eyes" She said, she said Takes lots of patience Then I lost my patience Acting like an actress

Tricky

Killed her on the mattress She's dead, she's dead She's dead, she's dead Then I jumped in my car Went real far Jumped in my car Went real far Jumped in my car Went real far She's dead, she's dead
