The Love Cats

Tricky & Constanza: Αh We move like cagey tigers Like cagey tigers We couldn't get closer than this The way we walk The way we talk The way we stalk The way we kiss We slip through the streets While everyone sleeps Getting bigger and brighter Wider and lighter Bigger and brighter Wider and lighter Into the sea You and me All these years and no one heard I'll show you in spring It's a treacherous thing We missed you hissed the lovecats We missed you hissed the lovecats We're so wonderfully wonderfully wonderfully Wonderfully pretty Oh you know that I'd do anything for you We should have each other to tea huh? We should have each other with cream Then curl up by the fire And sleep for awhile It's the grooviest thing It's the perfect dream Into the sea You and me All these years and no one heard I'll show you in spring It's a treacherous thing We missed you hissed the lovecats We missed you hissed the lovecats Like cagey tigers We couldn't get closer than this The way we talk The way we walk The way we stalk The way we kiss We slip through the streets While everyone sleeps Getting bigger and brighter Wider and lighter Bigger and brighter Wider and lighter Into the sea You and me All these years and no one heard I'll show you in spring It's a treacherous thing We missed you hissed the lovecats We missed you hissed the lovecats
