

What Is Wrong

Tricky

Costanza Francavilla:
What is wrong with us
All we do is fight
Get out of my view
I'm not feeling right
I'm not feeling good
I don't think I should
Something's standing in your view
I'm standing next to you
You and me heavenly
Forever what does it mean
You and me heavenly
Forever what does it mean
What is good for you
Doesn't mean too much
What you think is true
I can't feel or touch
I can't feel or touch
I don't feel that much
What is wrong with you
You're standing in my view
You and me heavenly
Forever what does it mean
You and me heavenly
Forever what does it mean
What is wrong with you
All you do is fight
Get out of my view
I'm not feeling right
I'm not feeling good
I don't think I should
Something's standing in your view
I'm standing next to you
You and me heavenly
Forever what does it mean
You and me heavenly
Forever what does it mean
You and me
(repeated)
