

All This Dancin' Around

Triggerfinger

All this dancin' around again Will it tame the demon inside us
All this dancin' around again Will it change a troubling soul A
ll this dancin' around again Will it break uncomfortable silenc
es All this dancin' around again Come on baby hit the floor

Shake for me 4x

All this dancin' around again Will it start a new revolution Al
l this dancin' around again Will it turn the water to wine All
this dancin' around again Gonna cause a lot of confusion All th
is dancin' around again Gonna knock the fruit off the vine

Shake for me 4x Shake for me 4x

All this dancin' around again Is it gonna lead us to blindness
All this dancin' around again Twitching to the different drum A
ll this dancin' around again Will it keep us safe from violence
All this dancin' around again Rocking till the kingdom come

Shake for me 4x

Baby you're swinging from side to side Already kicked off your
high heels Baby you're rippin' all through the night And you bu
