

Camaro

Triggerfinger

I've been around,
been around indeed
I tell you nothing,
nothing can compete.

Turn my head,
but I can't be satisfied.
Without a high-powerd mutant
high-powered mutant of your kind.

OoOh yeah.
Yeah, you looks are top.
OoOh another.
Another won't be enough.

Maybe if I say it every time.
Oh, how deep it would be,
I wanna make that Camaro mine.

My Camaro, oohooh no.
My Camaro, soo slow.

Today, I passed you on the street.
And my heart, fell right there at your feet.
At your feet, at your feet
At your feet...

My Camaro, go goO.
My Camaro, so slow.

My Camaro, oohooh no.
My Camaro, so slow.
