

Commotion

Triggerfinger

Traffic in the city turns my head around.
No no no no no...
Back up on the freeway, back up in the church.
Everywhere you look, there's a frown.
Co-Commotion, yeah yeah yeah com
Co-Commotion, yeah yeah yeeaahh
People keep on talking, they don't share your ways
Joy joy joy joy joy...
talk up to the lighthouse, talk up to your dog.
There's so much going on and I just can't.
Co-Commotion, yeah yeah yeah com
Co-Commotion, yeah yeah yeeaahh cooommm
YEAH COM
Learning how to get, you're sure you saved some time
run run run run run...
Rushing to the gym now, rushing to get high
Worrying about the time you saved.
Co-Commotion, yeah yeah yeah com
Commotion, lot of commotion
Commotion, commotiooon...
