

I want it soon, but not right now.  
I wanna wait, just a little longer.  
I want it soon, but not right now.  
I want to longing to grow a little stronger.  
Oooh..  
I want it soon, but not right now.  
Play by the strict rules of attraction.  
I want it soon but not right now.  
More pleasures had, by delayed satisfaction  
Oooh...  
Oooh...  
Oooh...  
I wanna be there for you. I wanna be there, it's true.  
But it's too soon to go undercover now babe.  
I'm gettin' ready  
In addition to my earlier request,  
you do, you do, you do, you do, you do  
you do what's best  
I have to tell you about the state of my chest.  
You left, you left, you left, you left a mess.  
A mess, A mess, A mess...  
I wanna be there for you. I wanna be there, it's true.  
But it's too soon to go undercover now babe.  
I'm gettin' ready  
I wanna be there for you. I wanne be there, it's true.  
But it's too soon to go undercover now babe.  
I wanna there for you. I wanna be there, it's true.  
But it's too soon to go undercover now babe.  
I'm getting ready  
I'm getting so ready.
