

## Now and forever

Triinu Kivilaan

I remember when we were young and free  
Nothing could stop us we lived our life  
Our love was growing from day to day  
Now I can't believe it passed away

REFREN:

For now and forever you'll be in my heart  
For now and forever just you  
I'll never forget all the things that we share - moments we live  
in love

Now I'm standing here all alone  
Don't know what happened  
Our love was strong  
I can't understand why you gone  
Please tell me why on my own  
All these memories fill my mind  
Now and till the end of time - forever
