Any Day Now

Trijntje Oosterhuis

Any day now I will hear you say goodbye, my love And you'll be on your way Then my wild beautiful bird, you will have flown, oh Any day now I'll be all alone, whoa-oa-oa-oa

Any day now, when your restless eyes meet someone new Oh, to my sad surprise
Then the blue shadows will fall all over town, oh
Any day now love will let me down, whoa-oa-oa-oa

Oh my wild beautiful bird, you will have flown, oh Any day now I'll be all alone

I know I shouldn't want to keep you
If you don't want to stay-ay
Until you go forever
I'll be holding on for dear life
Holding you this way
Begging you to stay

Any day now when the clock strikes go
You'll call it off
And then my tears will flow
Then the blue shadows will fall all over town, oh
Any day now love will let me down cause you won't be
around
