

## I Say A Little Prayer

Trijntje Oosterhuis

The moment I wake up  
Before I put on my make-up  
I say a little prayer for you  
While combin' my hair now  
And wonderin' what dress to wear now  
I say a little prayer for you  
Oh, forever, forever, you'll stay in my heart  
And I will love you  
Forever and ever, we never will part  
Oh, how I love you  
Together, together, that's how it must be  
To live without you  
Would only mean heartbreak for me  
I run for the bus, dear  
While ridin' I think of us, dear  
I say a little prayer for you  
At work I just take time  
And all through my coffee-break time  
I say a little prayer for you  
Oh, forever, forever, you'll stay in my heart  
And I will love you  
Forever and ever, we never will part  
Oh, how I'll love you  
Together, together, that's how it must be  
To live without you  
Would only mean heartbreak for me  
My darling, believe me  
For me there is no one but you  
Please love me too  
I'm in love with you  
Answer my prayer  
Say you love me too
