## **Sir Duke**

## **Trijntje Oosterhuis**

Music is a world within itself With a language we all understand With an equal opportunity For all to sing, dance and clap their hands

But just because a record has a groove Don't make it in the groove But you can tell right away at letter A When the people start to move

You can feel it all over You can feel it all over people You can feel it all over You can feel it all over people

Music knows it is and always will Be one of the things that life just won't quit Here are some of music's pioneers That time will not allow us to forget

For there's Basey, Miller, Sachimo And the king of all Sir Duke And with a voice like Ella's ringing out There's no way the band can lose

You can feel it all over You can feel it all over people You can feel it all over You can feel it all over people You can feel it all over You can feel it all over) (You can feel it all over) I can feel it all over) Everybody love You can feel it all over You can feel it all over
