

You Own My Heart

Trijntje Oosterhuis

Baby you are worth all my kisses
Many times I told you before
That I won't be the one to leave
Cause you're the one I deeply adore
I just need some time to get you out of my mind
I feel so blue if I ain't got you

I believe that one day, we will find the right way
Where I can be the one to act a fool
And pay the price only for loving you
And when my dream will find us
Our love will move mountains
I was always yours right from the start
Just remember boy, you own my heart

Now you're gone, it's clear to see
That we were never, never meant to be, yeah
Cause everything you said and done
I guess you don't know what it's like to love someone
Just need some time to get you out of my mind
I feel so blue if I ain't got you

I believe that one day, we will find the right way
Where I can be the one to act a fool
And pay the price only for loving you
And when my dream will find us
Our love will move mountains
I was always yours right from the start
Just remember boy, you own my heart

And when I look at your face (face, no doubt at all)
There's no doubt in my mind,
I want you around, all of the time

I believe that one day, we will find the right way
Where I can be the one to act a fool
And pay the price only for loving you
And when my dream will find us
Our love will move mountains
I was always yours right from the start
Just remember boy, you own my heart.
