

Don't Go

Trina

I guess I wasn't enough for you
The things I done for you
Call me I run to you
Whenever you want me to
What have I done to you
To hurt me a time or two
Probably more then a few
My hearts still beats for you
Wonder what did I do
Damn, I shoulda knew
But still didn't have a clue
My life would be so sweet
Yeah, I'm hurt it's true not feeling me next to you
Laughing at things you do
Kissing and calling me boo
Know it's hard to eat
Damn, I feel so weak
And I can't get no sleep
My eyes continue to leak
Pouring out like the rain
This hurts more than pain
Apologize with the pain
I went against the grain
Baby please don; t go
I need you more and more
I'm breaking down on the floor
And one thing you should know
Is that I got your back
No matter of tells you that
The love we had was whack
Just know that I need you back

Baby don't go, don't go, don't go, don't go
Don't walk away
Baby don't go, don't go, don't go, don't go
Just stay with me
Cause if you leave baby baby
You'll be breaking my heart
If you leave baby baby
I'll be torn apart
Don't walk away, don't walk away, from me

So baby tell me this ain't true
I open my heart to you
I changed the game for you
I gave up my friends for you
My life just ain't the same
Reaching and calling your name
Remember the things I do
Cooking and cleaning for you
Taking good care of you
And making sweet love to you
Baby just close your eyes
Picture my hips and thighs
Laying right next to you
I'm getting the best of you
Tell me you need me back

I' promise I'll running right back to you
How did it come to this
Why did you run from this
My loving you gots to miss
With you I was full of bliss
Baby please don't go
I just can't take no more
I'm screaming and kicking your door
Cause really I needs to know
Tell me she's not the one
Tell me I'm number one
And baby can you please tell me
Me and you are still one
Baby it's tough for me
Cause you been rough on me
I really miss the way you put that dick on me

Baby don't go, don't go, don't go, don't go
Don't walk away
Baby don't go, don't go, don't go, don't go
Just stay with me
Cause if you leave baby baby
You'll be breaking my heart
If you leave baby baby
I'll be torn apart
Don't walk away, don't walk away, from me

Can't you see
What the hell your doing to me
I'm soaking wet
From tears crying baby
All on my knees
Begging you pleading not to leave me
So say that you'll stay
Baby please stay

Baby don't go, don't go, don't go, don't go
Don't walk away
Baby don't go, don't go, don't go, don't go
Just stay with me
Cause if you leave baby baby
You'll be breaking my heart
If you leave baby baby
I'll be torn apart
Don't walk away, don't walk away
