Trina

Get involved with a nigga  
Slob on a nigga  
Take all his dough and then I dodge a nigga  
Cuz I'm a nasty bitch, I leave a nigga dead broke  
Snatch ya bread and cop a brand new coat  
I'm da jazzy type  
And I'll only let you eat it if you ask me right  
My coochie mad tight  
Well more juice than a grape when you peel the skin  
But yo ain't no fun if your tongue ain't in  
WHOO now this is where the madness start  
So nigga fuck me with your tongue til ya lick my heart  
I gotta body like a coke bottle watch me walk  
So nigga work your mouth and don't talk  
OK
