

Nasty Bitch

Trina

Get involved with a nigga
Slob on a nigga
Take all his dough and then I dodge a nigga
Cuz I'm a nasty bitch, I leave a nigga dead broke
Snatch ya bread and cop a brand new coat
I'm da jazzy type
And I'll only let you eat it if you ask me right
My coochie mad tight
Well more juice than a grape when you peel the skin
But yo ain't no fun if your tongue ain't in
WHOO now this is where the madness start
So nigga fuck me with your tongue til ya lick my heart
I gotta body like a coke bottle watch me walk
So nigga work your mouth and don't talk
OK

No tired ass nigga I sign my own check
