Trina

Lil momma you off glass

Uh, uh, uh, uh

Cock back, make the pussy pop back
Fuck a nigga in a Benz with the top back
If you lyin on your dick, nigga stop that
You wanna fuck me for free, nigga freeze that
Show me where them D's at, lil momma needs that
I need a nigga who gonna lick on the clit
Who gonna pay all my bills
Who gonna trick on the rent

Well damn lil momma, can you swallow my dick?
Can you keep that pussy poppin like a bottle of Cris?

Hell yeah cause you know lil momma about it for sure
Cause off glass is my motto, my motto

If you got plenty cash, in your Chanel bag, baby you off glass
Ah-hah, lil' mama you off glass
If you a high priced bitch with that ice round your wrist, you off glass
