

## Put Them Bottles Up

Trina

This is show time to party  
Put them bottles up, put them bottle up,  
All I can say is I enjoy the city lights  
Put them bottles up, put them bottles up.

Can I party and have a nice time,  
Everything come alive in the time  
Conex for a better life 'cause I like mine  
I laugh although I stay on the top ground.

Everything come alive in the time  
Conex for a better life 'cause I like mine  
I laugh although I stay on the top ground.

I got my mind on my money, money in my hand  
I've been thinking at dollars I stay cash wondering  
What to do if I fall and come again  
Playing fast, going hard you can win too  
See yourself as a star you begin to  
Transform think big and you elevate  
Elevating to the top let's celebrate  
Just no
