

Watch Yo Back

Trina

Better watch yo back there boy
Get on yo square or
My gun'll beat your chain
Got the nigga figured out
Showin you off tellin shit aint the same
Go ahead and kick him out cut him up
Catch him sleepin fuck him up
Only he must not know your name
Pimpin is a deadly game

Oh nigga you mad now actin bad pullin out your gat
Its not all you care about it's cash so my feelings they asked out
And it's so sad how I do fo you
Be da woman come through fo you
When you do wrong police come through fo you
I even break the truth fo you
But the fact of the matter is
Nigga you gon' love who you gon' love
You gon' trust who you gon' trust you gon' fuck
Who you gon' fuck
But you wont trust me, no way no how
Ya gotta give ya whole life fo a nigga nowadays
Cant be in yo house can't even speak yo mouth
Cant even beat him down why the fuck is this so
Crazy, derranged that im into your thang
Brings misery and pain
Plus they call us lame bitches and heiffers and sluts
Think your nut is gonna heal my bruises and battles and cuts
Bitch y'all better get tough
And at the same time y'all better lock the game
And re-rock the game get a glock ready
Sit back cock and aim
And try and stop the pain cuz ya got a lot to gain
Instead of sittin home waitin on niggas to call
Puttin 911 in their beepers and all
We don't deserve this at all y'all

Nigga how you tame a bitch
Talkin bout your game legit when you aint the shit?
Then get wit a chick don't maintain a bitch you restrain a bitch
Insecure niggas they blame a bitch then reign a bitch
Get a ring try to rename a bitch get an attitude
Play games with the dick and try to tame a bitch
Y'all niggas better critically acclaim a bitch
You call we come take it like a champ drink all your cum
Do a lot of shit ive never done so i keep my cool
Cuz i aint the one to start actin up
Cuz he even beat us from backin up
I wanna pack my stuff but mama said i can't come back to her
Oh lord so I had keep askin ya
For help outta situations killin up my whole life
I'm in love with a thug and he aint treatin my soul right
And i know i don't see him uh don't need him
Shit fuck him and feed him
Fish stuck him and leave him quick shit...

If you're a nigga with no love and don't want no bitch

Don't see no bitch don't need no bitch
Then don't tease no bitch shit
Cuz we don't need to be
Fucked up mentally like a dumb ho
Breakin out all your windows
Tell the po-po's bout your do-po's oh no
I can get my own shit my own nigga my own dick
I don't need a nigga thinkin that he own a bitch
Cuz he bought me shit
7 whole days aint call a bitch shit
Nigga shoulda stayed right where he was at
Cuz the nigga layed right where he was at
The nigga shoulda died right where he was at
Better watch yo back
