

# One More Molly

Trinidad James

This is no vacation, (yeah, yeah, yeah...)  
I stopped fucking with Mary today and it sucks  
(Fuck) but there's a new girl in the neighborhood, you can call her Molly  
(Kush, I just whipped it out) literally (I'm fucked up grr)

I just popped a super molly  
I just popped a super molly  
She just popped a super molly  
She just popped a super molly  
She just won't stop looking at me  
She just won't stop looking at me  
We about to have a party  
We about to have a party

This shit here, no concept  
I was geeked up when I wrote this  
I'm high as hell, but I'm focused  
(High as hell, but I'm focused)  
I ain't trying to hide shit  
My side-effects is asshole  
Something's swimming up the capsule  
(Something's swimming up the capsule)  
The beat change, so my flow do  
Yo big ho, is old news  
Popped a molly, she gone do  
Things that you never knew  
(Freak ho) She so ashamed  
(Freak ho) She so ashamed  
That molly got her naked  
Her friends looking basic  
Talking shit but they anxious  
They want a fix (3x)  
Ain't nothing to worry about  
Just take a dip and while out (3x)

(Oh God, I don't know if I'm going to make it, I don't want to go back I want go home right now haha)

I remember that molly since I stepped in  
I'm so high I remember stepping  
First two, I don't know how I made it  
Last night I got faded  
With a couple friends, a couple new hoes  
Say they don't do drugs  
Oh God, What the Fuck  
Got mad kicked them out  
Their butt bad, then shook one  
I started laughing then  
Dicked 'em down  
T.James up on that  
Fucked 'em good, then I  
Audi 5000  
This Molly life I'm all about  
That.1 don't do shit  
Need a whole gram for me to get lit  
Been lit for like 2 days  
This Molly Life is my way...
