Chillin' with a model, this bitch tall as fuck like 2 Chainz
And she suck me up so good, I kept her 'round for two days
Gave that bitch to Offset then he dropped her off with Longway
Left that bitch on Cleveland Ave. with ashy knees and no pay
All I know is get the cash and stay down with my homies
Tell that bitch stop actin' bougie, come and show that pussy

High priced bitch with an attitude
Rockin' Balenciagas, Jimmy Choos
Givenchy chilla diamond, bird flew
Slangin' cocaine out a old school
My bitch is a bougie, she'll dent in your roof
Bendin' blue Benjamins, safari shoes
Fuckin' on [?], makin', breakin' new
Ran through that bitch like we're thirty deep
Cargo pockets on me, 30 in each
MPA the [?], they thinkin' we're Meech
Traphouse stay beat but we never offbeat
Bougie bitches on this boy like a leech
Suck a good dick for Balenciagas
All white, mothafuckin' Lady Gaga
They gon' overdose on sweaters
Super cool, Fonzarelli leather

Balenciaga, cookin' the dope like it's steak hibachi
My money colossal
Workin' the trap, never went to a college
