

Ayy Man... Shit I'm just doing me.

There's only one car in my lane
And my manager drives it, bitch!
God gave you an opinion,
But a nigga like me don't give a fuck
Shit, I mean...

They fucking with me cause I'm real (real)
They fucking with me cause I'm real (real)
They fucking with me cause I'm real (real) Bitch! (2x)

If I ain't doing what I'm supposed to do,
Then tell me what I need. (4x)

I already proved that I can make a banger, nigga.
For the free.

Cause yo bitch might be in it. (oops)

Got an evil twin named T. James
Who eats lames
And give beats flame
Give yo bitch a lil sugar and now she call me Sweet James.
It's cool niggas and it's you niggas. And my swag, achoo nigga.
God bless you man cause I fuck with you.
God bless you man cause I fuck with you.

They fucking with me cause I'm real (real)

If I ain't doing what I'm supposed to do,
Then tell me what I need. (4x)
