

If you the flyest motha (WOO!) in here, make some noise. Haha, cause I'm 6'2", I'm so handsome, and my hair looks wonderful, my clothes are immaculate, and I need a girl with a little bit of this

Lookin' for a honey with a heart of gold  
Mink peep game, I love fuckin' her soul  
Cameras on, girl look alive  
Cameras on, girl look alive  
Daddy's girl, she mad decent  
Brand new whip but you know she leased it  
Fake the funk, but it's nice to meet you  
Fold her gently, quit the forward features  
You puerto-what? She said Puerto Rican  
I'm all about love, baby what's the reason?  
I'm all about love but not this season  
Say I'm all about love, let's change the meaning

All aboard the pussy train  
A choo choo in that thing  
I said choo-choo in that thing  
Say choo choo in that thing  
All aboard the pussy train  
I shoot you in that thing  
A choo choo in that thing  
A choo choo in that thing

Could've bought flowers but I brought the dick  
Baby face James, no Kendrick  
Talk the slick but you know how I be  
Say anything to put a smile in your face  
Say anything to put a twist in your waist  
Say anything to keep you next to me  
Still, I don't play that back talk  
Vogue it, babe, work that catwalk  
Show them, baby, why you that bitch  
I said show them, baby, why you that bitch  
Birkin bag, Riccardo Tisci

Came up hustlin, now you're rich  
Hope she spends it all on me  
And if that's the case, it's alright  
I said, I hope she spends it all night  
And if that's the case, it's alright  
Put her on it like

I'm about to play [?] with your mind, girl  
I'm about to play [?] with your mind, girl  
I'm about to play [?] with your mind, girl  
I'm about to play [?] with your mind, girl
