Right from the start you captured my heart yes you are my sweet angel

Heaven above must have sent me your love yes you are my sweet angel

I want you to know
I'll never let you go
because your are my sweet angel

Angel good angel fine angel so easy angel my sweet angel

I lived in the night now I follow your light yes you are my sweet angel

I belong to you you belong to me it's so clear to see that you are my sweet angel

Angel good angel fine angel so easy angel my sweet angel

I belong to you you belong to me it s so clear to see that you are my sweet angel
