

# Nasty

Trio

Nasty is the feeling, nasty is the feeling  
Nasty is the feeling for you  
Crazy how I loved you, crazy how I loved you  
Crazy how I fell for you  
Dirty when I hear ya, dirty when I see ya  
Dirty when I feel you close to me

Hurtin's gonna come up, hurtin's gonna come up  
Hurtin's gonna come up, you see

Evil's gonna turn out, evil's gonna turn out  
Evil's gonna burn out my heart  
Feelings that are old, feelings that are cold  
Feelings that are broken apart

Evil's gonna turn out, evil's gonna turn out  
Evil's gonna burn out my heart  
Feelings that are old, feelings that are cold  
Feelings that are broken apart

Nothing's gonna help, nothing's gonna help, help  
Nothing's gonna help us from here  
Fussin' and fightin', fussin' and fightin'  
Fussin' and fightin' is near

I can't go on with this feeling bout you Dirty when I hear ya,  
dirty when I see ya  
Dirty when I feel you close to me  
Hurtin's gonna come up, hurtin's gonna come up  
Hurtin's gonna come up, you see

Nothing's gonna help, nothing's gonna help  
Nothing's gonna help us from here  
Fussin' and fightin', fussin' and fightin'  
Fussin' and fightin' is near

I can't go on with this feeling bout you (ich liebe dich nicht mehr)  
I can't go on with this feeling bout you (ich will dich nicht mehr)  
I can't go on with this feeling bout you (ich brauche dich nicht mehr)  
I can't go on with this feeling bout you
