

## Tooralooraloo - Is It Old & Is It New

Trio

Long ago and far away  
Do I miss you I can't say  
Far away and long ago  
Do I miss you I don't know  
Uuh I loved it there and then  
But would it be like there again  
Tooralooraloo  
Is it old & is it new

Tooralooraloo  
Tooralooraloo  
Tooralooraloo  
Is it old & is it new

Long ago and far away  
Do I miss you I can't say  
I remember your green eyes  
And I won't forget you smile  
Still I don't know what to do  
Maybe dreaming dreams of you  
Tooralooraloo  
Is it old and is it new
